

26 March 2020

Dear Friend/Partner,

SUBJECT: POSTPONEMENT OF THE ALLIANCE CLASSIC RUN 2020

Due to the Corona virus pandemic and the necessary measures put in place by the Government of Kenya to control its spread, the organizing committee of the Alliance Classic Run 2020 has been compelled to postpone the event.

The foregoing is informed by the fact that the event cannot be held on 16 May 2020 as planned without putting at risk our friends, supporters and the general public and being in contravention of the various directives given by the government.

We would however like to assure all the friends and partners who have supported past editions of the run through participation or sponsorship that we are working within the constraints posed by the pandemic to still host an event that will allow runners to once again come together to run and support the Alliance High School Endowment Fund Trust (AHSEFT).

We shall monitor the situation, seek expert advice and shall advise on the ACR2020 event towards the end of April 2020. Look out for communication on our platforms for updates on the event, training tips, running related nutrition news and general running information.

Thank You

For: **The Organising Committee of the Alliance Classic Run 2020**

James Absaloms Juma, Sch. No 4715
